

MEXICAN SPECIALTY SAUCES

CARNE ASADA MEXICAN STYLE MARINADE

Marinate thin sliced pork or beef, boneless chicken breast, chicken thighs or leg quarters overnight for best flavor. Great for seafood and vegetable kabobs.

Display in retail meat or deli case. Layer in pan and top with garnish of onion rings and freshly chopped cilantro.

Ingredients: Water, White Wine Vinegar, Salt, Propylene Glycol, spices, Lemon Juice, Garlic Powder, Onion Powder, Pectin, Guar Gum, Xanthan Gum, less than 1/10 of 1% of Sodium Benzoate, Sorbate added as a preservative, Sodium Metabisulfate

CAM1 1 gallon poly jug
CAM4 1 case (4-1 gallon)

CARNE ASADA MEXICAN STYLE MARINADE BLEND

This tasty marinade gives that sought after "Red" appearance to the meat. Slices of orange, lemon and bell pepper can be added to make the display more colorful and appealing.

Ingredients: Water, White Wine Vinegar, Sugar, Salt, spices and coloring, Dehydrated Garlic, Dehydrated Onion, Pectin, Propylene Glycol, Citric Acid, Celery Powder, Xanthan Gum, Guar Gum, Sodium Benzoate, Potassium Sorbate, Sodium Metabisulfate, Oleopaprika

SCA4 1 case (4-1 gallon)

CARNE ADOVADA MEXICAN SAUCE FOR MEAT

Complete ready-to-use blend. Dip thin cuts of pork, beef or chicken and allow to marinate a few hours. Layer in deep pan and display in retail case. Sprinkle a little 1/4" crushed red pepper on top.

This sauce also can be made to make homemade chorizo. For every 10 lbs. of meat, add 3 lbs. of carne adovada sauce, 2 oz. salt and cider vinegar to taste.

Ingredients: Water, Castilla Chili Powder, Cornmeal (degermed yellow cornmeal), Salt, Onion, Acetic Acid, spices, Dehydrated Mixed Bell Peppers, Citric Acid, Potassium Benzoate, less than 1/10 of 1% sodium benzoate added as a preservative, Sodium Metabisulfite

CCCA5 5 gallon poly pail
