

CUSTOMER SERVICES

"TAKE-A-NUMBER" SYSTEM

Guarantees
"First Come, First Served"

Turn-O-Matic®

Proven Performance!
Personalized Service!
It's not always possible to serve all of your customers as quickly as you would like.

Turn-O-Matic provides a hassle free environment for both your customers and your employees. Helps with an orderly, organized flow of traffic so sales clerks can handle more customers in less time.

- Ticket dispenser: The customer touches nothing but the ticket. Swivel feature allows tickets to be dispensed with a gentle pull from any direction.
- Deluxe Indicator: Two digit display from 00 to 99. High quality, long life red LED's in bold italicized 5" high numbers. Beeper and blinking digits announce number change.

COMPLETE "TAKE-A-NUMBER" SYSTEM

Includes: Ticket dispenser with counter stand for mounting without screws, "Please Take A Number" sign, deluxe LED electronic digital indicator, 12V transformer, 100' of wire and 3 push buttons. Easy installation instructions included.

- TMC100D Complete Counter Top System
- TMW100D Complete Wall Mount System

TURN-O-MATIC TICKETS

SELF-SAMPLING SYSTEM

Sampling Equals Sales!

Choice of two: "Ice Bowl" model and "Bakery" model. Both will keep samples fresh and within easy reach of your customers.

Features:

- Free standing, can be used in all departments
- Turn & Sample dome cover
- Black stand, tray and bowl "highlights" food being sampled
- Separate toothpick/napkin holder with channel for sign
- 2 colorful 7" x 3" signs included

Specifications:

- 13" dome cover, tray and bowl
- Black wire stand and holder, 17" round base
- Product height: 46"

"ICE BOWL" MODEL

Ideal for perishable items in every department. Furnished with extra tray below ice bowl - no more condensation dripping on floor. Simply remove ice bowl and wipe dry.

SAMP4613ICE..... "Ice Bowl" Self-Sampling Unit

"BAKERY" MODEL

Ideal for bakery or other non-perishable products. Consists of tray and dome cover only. Space normally occupied by ice bowl between tray and stand can be used to "dress up" sampling unit. Add decorative napkins, flowers or anything that you feel is appropriate.

SAMP4613DRY..... "Bakery" Self-Sampling Unit
