FOOD STORAGE CONTAINERS

CAMBRO.

- Maximize shelf space! Containers stack and nest easily
- Dishwasher safe
- Snap tight covers available
- Resists food acids, stains and odors

“P” SERIES - POLY

White Polyethylene: Made of high-density polyethylene. An economical solution to storage and transportation needs.

“CW” SERIES - CAMWEAR

Clear Polycarbonate: The clear finish assures instant food identification and inventory-at-a-glance. Virtually unbreakable polycarbonate stands up to tough treatment, withstanding temperature extremes from -40° F to +210° F. Will not crack, chip, break or dent.

Square containers are color coded. The cover matches the graduation color. The snap-tight covers feature tabs so that they can be easily removed. Square containers take up approximately 33% less space than round containers.

SQUARE CONTAINERS
