

# WORKTABLES

Build your own custom worktable from the base up. All component parts and accessories are sold separately. They can be added to a new table or to an existing table at any time (check compatibility prior to placing an order).

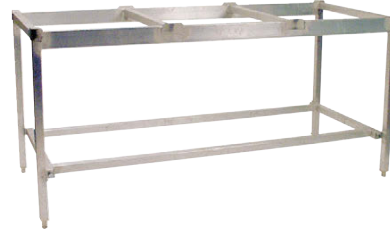

- Table bases - stainless steel or aluminum
- Undershelves - stainless steel or aluminum
- White thermo plastic cutting boards
- Overhead storage rack - table or wall mount
- Utility drawer
- Platter and platter paper holder
- Backsplash - stainless steel
- Knife rack and tool holder (see page 48)

## TABLE BASES

Choice of aluminum or stainless steel. Choice of popular 30" or 24" wide. Standard 34" high, adjustable bullet feet. Cross support frames every 24". 96" lengths have 6 legs.

- All heliarc welded for strong, clean joints
- Frame is 1½" x 1½" square tubing
- Legs are 1½" round tubing

- All welded heavy duty 1½" x 1½" aluminum tubing
- For extra strength, top, back and front rails are 1½" x 3"
- Full length support rails for optional shelf

### STAINLESS STEEL

SSTF4830 .....48" x 30"	SSTF4824 .....48" x 24"
SSTF6030 .....60" x 30"	SSTF6024 .....60" x 24"
SSTF7230 .....72" x 30"	SSTF7224 .....72" x 24"
SSTF9630 .....96" x 30"	SSTF9624 .....96" x 24"

### ALUMINUM

ALT4830F .....48" x 30"	ALT4824F .....48" x 24"
ALT6030F .....60" x 30"	ALT6024F .....60" x 24"
ALT7230F .....72" x 30"	ALT7224F .....72" x 24"
ALT9630F .....96" x 30"	ALT9624F .....96" x 24"

## BACKSPLASH

Stainless steel - 6" high. Snaps directly on top frame of either aluminum or stainless steel table bases. Easily removed for cleaning.

SSBS48 .....48" Long	SSBS72 .....72" Long
SSBS60 .....60" Long	SSBS96 .....96" Long

## UNDERSHELVES

### FOR 30" WIDE TABLE FRAME

#### STAINLESS STEEL

Designed for use with stainless steel bases. Shelves are 26" wide.

SSUS48 .....48" Long
