

# GRINDER PLATES/KNIVES/WASHERS

Grinder plates are manufactured of high grade tool steel alloy, precision drilled to exact tolerances and hardened for long life. Plates are surface ground to a smooth finish. Many hole sizes available on special order.

- Charts available showing special hole diameters for plates sizes: 12, 22, 32, 52, 56, and 66
- We also offer Grinder Plate and Knife Exchange and in-house resurfacing services. Call customer service for more information
- PLATES AND KNIVES SOLD SEPARATELY

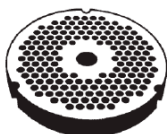

Some models require a plate that has 2 flat sides. Plate sizes 12, 22, and 32 are available in either round or two flat sides.

When ordering: Please specify make of grinder/chopper, size of plate and hole size.

## REVERSIBLE GRINDER PLATES

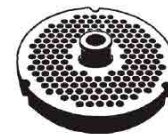

- Precision drilled, hardened and surface ground on both sides
- Both sides can be resurfaced

Item Number	Hole Size	Plate Size
BP1218R	1/8"	No. 12
BP12316R	3/16"	Round
BP1238R	3/8"	2 3/4" Diameter
BP1218F	1/8"	No. 12
BP12316F	3/16"	Two Flat Side
BP1238F	3/8"	2 3/4" Diameter
BP2218R	1/8"	No. 22
BP22316R	3/16"	Round
BP2238R	3/8"	3 1/4" Diameter
BP2234R	3/4"	
BP2218F	1/8"	No. 22

BP2238F	3/8"	3 1/4" Diameter
BP3218R	1/8"	No. 32
BP3214R	1/4"	Round
BP32316R	3/16"	3 1/2" Diameter
BP3238R	3/8"	
BP3234R	3/4"	
BP3218F	1/8"	No. 32
BP32316F	3/16"	Two Flat Sides
BP3238F	3/8"	3 1/2" Diameter
BP5218	1/8"	No. 52
BP52316	3/16"	Round
BP5238	3/8"	5 1/8" Diameter
BP5618	1/8"	No. 56
BP56316	3/16"	Round
BP5638	3/8"	6" Diameter

## HUB PLATES

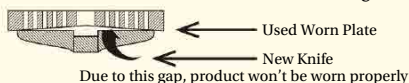

- Rugged, fully hardened hub plate for large volume, heavy duty grinding
- Can be resurfaced many times

Item Number	Hole Size	Plate Size
HP2218R	1/8"	No. 22
HP22316R	3/16"	Round
HP2238R	3/8"	3 1/4" Diameter
HP2218F	1/8"	No. 22
HP22316F	3/16"	Two Flat Sides
HP2238F	3/8"	3 1/4" Diameter
HP3218R	1/8"	No. 32
HP32316R	3/16"	Round
HP3238R	3/8"	3 1/2" Diameter
HP3218F	1/8"	No. 32
HP32316F	3/16"	Two Flat Sides
HP3238F	3/8"	3 1/2" Diameter
HP5218	1/8"	No. 52
HP52316	3/16"	Round
HP5238	3/8"	5 1/8" Diameter
HP5618	1/8"	No. 56
HP56316	3/16"	Round
HP5638	3/8"	6" Diameter

### IMPORTANT! USE KNIFE AND PLATE TOGETHER AS A MATCHED SET.

Always use the same knife and plate together. If one has gradually worn away from perfect flat, the other will have worn with it. As a result they may still be used together. If, however, if one is matched with a different item which is ground true, the set will not turn out a good product. In addition, such practice will break the new item.

## GRINDER KNIVES

These heavy duty, beveled-edge grinder knives are made of high grade steel alloy designed to produce faster, cooler grinding.

BK12	Size 12
BK22	Size 22
BK32	Size 32
BK52	Size 52
BK56	Size 56

- Tempered to exact hardness for maximum wear and efficiency
- Use with any hardened plate shown

Universal for most meat grinders

## FIBER WASHERS

Item Number	Description	OD	ID
FW1234	Fiber Grinder Washer #12	1 1/16"	3/4"
FW2278	Fiber Grinder Washer #22	1 1/2"	7/8"
FW321	Fiber Grinder Washer #32	2"	1"

For meat grinders

## THRUST WASHERS
