- Complete with hose thread coupling
- Accepted in meat processing facilities

728325 25' length hose
728350 50' length hose

CLEANER DEGREASER

APPROVED by U.S.D.A. for the Meat and Poultry Industries

South Bay Abrams's all-purpose non butyl cleaner degreaser can be used for everyday clean up or in high pressure cleaning systems. Degreases and deodorizes food process soiled surfaces.

- Biodegradable. Authorized by USDA as a general cleaning agent on all surfaces
- Use with steam or mechanical cleaning devices in all departments of federally inspected meat and poultry plants
- Non-pollutant, non-toxic and non-abrasive

Complete Directions on Every Gallon Jug

APC1 1 Gallon Cleaner-Degreaser

WHISK BROOM

- Made with durable plastic fiber
- Assorted colors
- Cap with hanging loop
- Overall length: 10"

634 Whisk Broom

DECK BRUSH

- 10" Wood block
- Chemical resistant polypropylene bristles
- Good for general scrubbing
- BPA free

DB10 10" Deck Brush

WATER NOZZLES

PRO SERIES - INSOLATED NOZZLE

- Contoured insulated heavy duty grip
- Solid brass tip
- Adjusts from fine mist to volume stream
- Positive shut off

PRO125HH Water Nozzle

STANDARD INSULATED NOZZLE

Insulated grip for spraying boiling hot or ice cold water without extra hand protection.

Features: Heavy-duty brass valve and adjusting nut, hold open clip locks any spray pattern, chrome plated all zinc body and industrial strength nylon handle.

C125HH Insulated Water Nozzle

PREMIUM INSULATED NOZZLE

Insulated contour grip handle to protect against hot and cold water. No extra hand protection needed.

The heavy-duty all brass valve adjusts from mist to powerful steam.

PN125HH Insulated Water Nozzle

WINDOW SQUEEGEES

Lightweight and economical, this ABS plastic squeegee has an aluminum channel with rubber insert.

28112 12" Squeegee
28118 18" Squeegee

FLOOR SQUEEGEE

ONE-PIECE RUBBER

- 24" straight rubber blade
- One-piece construction
- Conforms to uneven surfaces
- Sanitary, solid and durable
- Handle sold separately

36568BLU 24" Rubber Squeegee, Blue

DOUBLE FOAM RUBBER

- 24" straight double foam rubber blade
- Easy to sanitize
- Extremely durable
- Handle sold separately
- Integrated blade eliminates seams and crevices, reducing places for bacteria to grow

41568BLU 24" Double Foam Rubber Squeegee, Blue

THREADED HANDLE

- Three-piece construction
- Durable 1" aluminum
- Compact size saves on shipping costs
- Length: 60" (5 feet)

40224A 60", Three-piece aluminum handle
