 - Overall: 14" - Closed: 8"
- FD814 "Junior Flip-Up" Duster

WOOD HANDLE

- Wood handle
- Overall: 14"

FD14W Feather Duster

CASE LINERS

PLASTIC NETTING

Plastic netting case liner provides long-term durability in food cases. This is an economical and colorful way to prevent product damage while protecting your meat, deli, seafood, produce, frozen food and dry product display cases.

Can be used in one continuous strip or easily cut into smaller lengths as needed. Fine mesh structure makes it easy to clean. Spillage or damaged material can be washed off the non-absorbent netting. Prevents debris from falling in cooling units as well as covering rusted or damaged units.

Open mesh permits free circulation of refrigerated air.

Item Number	Color	Dimensions	Item Number	Color	Dimensions
VR30	Red	74' l x 30' w	VG36	Green	62' l x 36" w
VBK30	Black	74' l x 30' w	VW30	White	74' l x 30" w
VG30	Green	74' l x 30' w			

Shelf and Display Case Non-Skid Case Liner

"SHUR-GRIP"

Anchors product and display accessories to prevent sliding even at steep angles.

- Open mesh pattern that allows ventilation
- Meets FDA sanitation guide lines
- Easy to clean - just vacuum or wash
- Can be easily cut into smaller lengths
