

SLIDERS & BURGERS

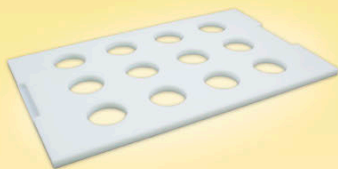

Patty making just got a whole lot easier!

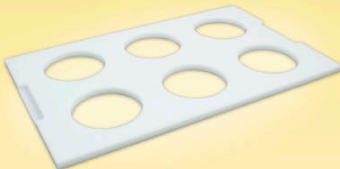

NEW!

SLIDER & HAMBURGER PATTY MOLDS

This simple device takes the edge off making uniform patties. Place the mold directly on a pan with a sheet of patty paper beneath each cavity meat will be placed. Measure ground meat to desired pound and roll into a ball. Place a ball inside the ring and press to shape. Simple, clean and efficient!

TPSM12 - Slider Mold
Twelve 2 $\frac{3}{8}$ " Diameter Holes
White HDPE
20" x 12 $\frac{1}{2}$ " x $\frac{1}{2}$ "
