

Create a custom tag program for every department in your store.

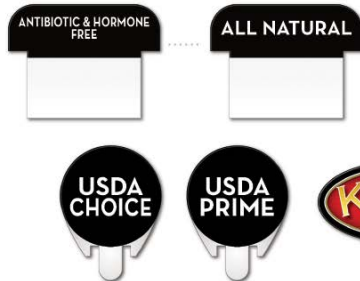

Since we are the manufacturer, we have the unique opportunity to design a personalized price tag or sign to fit your exact needs. Provide us with this basic information: size, shape, colors, company logo, size of interchangeable numbers, and insert style. We'll design a tag, sign or complete program to complement your present store decor. Give us a call and we'll be happy to help you with the design process.
